## "Summer Shows"

### Art Center Prepares Musical, Exhibit

Reservations are now being accepted for the Marion Art Center's (MAC) summer Musical Melodrama, *The Drunkard* or *The Fallen Saved*, based on an 1844 temperance play by W.H.S. Smith, to be presented July 28 and 29, August 3, 4 and 5 at 8:00 pm. The current version of the show was adapted in the 1970s by Bro Herrod with music and lyrics by Barry Manilow. Audience participation is encouraged — booing, hissing, clapping, laughing, singing, but no food throwing!

The show was first presented in 1844 at the Boston Museum and played for 140 performances. Then P.T. Barnam (of circus fame) latched onto *The Drunkard* and brought it to New York where it ran for 150 performances. It was soon noted that many of the nightly audience of

**Above:** Judith Coykendall of the Tri-Town League of Women Voters (LWV) Education Grants Committee recently announced the results of this year's application process. The LWV considered 12 applications for support this year, and five winning proposals were selected. The main source of revenue for the education grants is the "Blue Book" phone directory covering Marion, Mattapoissett, and Rochester. Receiving grants this year were Kristine Lincoln and Maureen McQuillan (\$1,000 for Closing the Gap Conference); Kevin Tavares (\$147.60 for the Scrabble Club); Sandi Rosen, JoAnn Vierkant and Debra Almeida (\$1,000 for American Folk Tale Project); Gregory Andree (\$1,000 for the ORR Junior High School Filmmakers Club); Deborah Stinson (\$1,000 for Final Cut Pro Workshop); and Kevin Tavares (\$774.80 for the Edible School Yard Project).

**On the cover:** Cast members of the Marion Art Center's (MAC) summer production of *The Drunkard* include (l. to r.) Kim Krasky as "Mary the Heroine," Kevin Halligan as "Edward the Hero," and Rex McGraw as "The Villain." Based on an 1844 temperance play by W.H.S. Smith, the MAC version of the show is based on a later 1970s adaption penned by Bro Herrod with music and lyrics by Barry Manilow. The show will be staged on July 28 and 29, August 3, 4 and 5 at 8:00 pm. Tickets are \$12.50 for MAC members and \$15 for the general public. Please call 508-748-1266 for reservations or more information. (Photo by Kenneth J. Souza).

2,000 would laugh in the wrong places. Finally Barnam closed the show when he found the crass New Yorkers applauding the villain, encouraging the hero to drink and vilely cursing the reformers.

In 1933 the play was vividly revived in Los Angeles and enjoyed the longest run in the history of legitimate theater, playing to packed houses of hissing and booing audiences until it finally closed in 1962. In 1964 Bro Herrod adapted the show and made it a musical with his friend, Barry Manilow. It ran continuously for six years at the 13th Street Theatre in New York. Now Director Wendy Bidstrup and Music Director Nancy Sparklin are mounting another production of this historic melodrama.

The cast includes Kevin Halligan as the hero, Kim Hrasky as the heroine, Carl Lamoreaux as Edward's foster brother, Joan Prescott as the widowed mother, David Pierce as the preacher, Michele Kelley as Carrie Nation, Mark Letourneau is the bartender, Helda Pacheco as Bill's demented sister, Maddy West as Julia, a child; and the dastardly villain and foul tempter is played by Rex McGraw, a newcomer to our area with a professional background in acting and directing. Chorus numbers are performed by Andrew Camire, Bethany Lamoreau, Jamie Mahaney, Jackie Scholz, Javelle Stephens and Kristen Thuestad.

Tickets are \$12.50 for MAC members and \$15 for non-members. Reservations are strongly recommended. Tables are available for parties of four or more. The theater at the Art Center is air-conditioned. Please call 508-748-1266 for tickets or more information.

An exhibition of new work by four local artists opens at the Marion Art Center on Friday, July 21 with a reception to meet the artists (Tucker Aufranc, Caryn Koffman, Sharlie Sudduth and John Wheatley) from 6:00 to 8:00 pm. The media range from watercolor to oils and acrylics to photography.

Caryn Koffman is a summer resident of Marion and lives in Philadelphia during the winter. She has exhibited in numerous juried shows and has won many prizes for her photographs. She is represented in the Artforms Gallery at Manayunk, the Philadelphia Museum of

Art, the Art Center Sarasota, Florida and Rogers Gallery in Mattapoisett. Unlike many contemporary photographers, Caryn does not manipulate any images. Her work has developed into an account of the world as it is; nothing is moved or removed, only emphasized. She draws in the viewer by isolating the subject, cropping away any distractions and captures the moment and reveals the subject's spirit.

John Wheatley is a graduate of Dartmouth College and Northwestern Law School. For the last 30 years he has studied the use of various art media with William Lawrence, Christopher Shinck, George Nick, Alexandra Walker, Albert Alcalay at Harvard, Janet Monafo at Massachusetts College of Art, and Joel Babb at the Museum of Fine Arts, Boston. He has exhibited at the Pembroke Arts Festival, the Marion Art Center, the Bridgewater Public Library and the Providence Art Club. His oil paintings are in private collections on the South Coast.

Sharlie Sudduth lives in Marion and is a prolific watercolor painter. Recently she has also produced some oils on canvas. Her love of nature and the area around Buzzards Bay and the coastline of Maine is reflected in intimate scenes and landscapes.

Tucker Aufranc resides in Mattapoisett and paints in a variety of media and styles ranging from watercolor landscapes to still lifes and florals in oil.

The four-person show will run through August 23. Gallery hours are Tuesday through Friday, 1:00 to 5:00

noodles, ice cream, pizza and specialty breads. Over 8,000 meal tickets were sold.

Ms. Ennis, who organized Taste of the Town, said that she was very pleased with the turnout and that next year she hopes to attract even more restaurants. She is already preparing for next year's event which will be particularly exciting since it will take place during the Mattapoisett Sesquicentennial (150 year) celebration.

Designed to raise money for the new town library and to fund a Woman's Club scholarship, this year's Fresh Paint Art Sale featured 24 local artists, some of whom painted pictures that very morning. Despite the overcast weather, almost a dozen artists, including Mattapoisett resident and ORR graduate Anthony Days, ventured out Saturday morning seeking inspiration for their art work. Mr. Days found it on Water Street and painted a lovely scene of the harbor titled "Wet Paint '06," which was later raffled off to benefit the library.

This was Anthony Days' third year painting in the Fresh Paint Art Sale. Mr. Days, who works as a paramedic and patrolman with the Mattapoisett Police Department, said that on Saturday morning he was a little bit concerned about finding something to paint given the poor visibility, but that the weather was "part of the challenge." He has been painting seriously since 1996, and "hopes to become a full-time artist and part-time paramedic at some point in his life," he said, adding that he definitely plans to participate in the event again next year.

Other artists included Brittany LaRue who painted "Estuary," a giant oil that was still drying a few days after the event. Betty Ashley painted "Foggy Sails" which was later sold to a woman who watched the artist's progress throughout the morning. Some of the featured artists, including Stan Ellis and Mike Mazer, donated work that was previously created. Rogers Gallery and Surroundings provided free coffee, waters, lemonades, pastries, and tote bags for participating artists.

Perhaps the most special part of this year's events was the children's games which took place in the afternoon. This was the first year that the library held games for kids and over 150 kids showed up to participate in the three-legged races, lemon roll competition, spoon races, and water balloon toss.

Next year, Ms. Wallace hopes to expand the children's to include games and activities that will connect to the Sesquicentennial celebration.

Evening entertainment included live music with Mr. Whoopie, who played soft rock, and Wallace and Gries, who played jazz, blues, and Grateful Dead tunes.

Regardless of the weather, next year's event is sure to be a success.

men was called to order on Tuesday, July 18 at 7:00 pm by Chairman Andrew Jeffrey. Also present were Selectman Jonathan Henry, Selectman Roger Blanchette, Interim Town Administrator Julia Enroth-Whitlock, and Secretary Helene Craver.

Chairman Jeffrey noted this was the first time the meeting was being broadcast live via Marion's government channel (Channel 95) on Comcast Cable.

The board first unanimously voted to approve the minutes of the June 20 meeting, then met with Dale Jones of the Police Station Building Committee to discuss possible options in the aftermath of losing voter support via a recent election recount.

which is a shame, because we've had some very talented people serving on this committee," Mr. Jones said. "This was an excellent group of people, but unfortunately we weren't able to convince (voters) to go with us, by just one person."

Mr. Jones also noted he was disappointed that Police Chief Lincoln Miller has been unfairly maligned in the press over the project and that voters seemed to turn it down based solely on the cost.

"A big portion of our costs ... was due to state mandates," Mr. Jones said. "I would really like another chance. Not a Special Town Election, but give us another chance to go before the people again in November. I'm certain if we go out there and get the figures to the people, they will be convinced that this (project) is in the best interest of the town."

"I think we need to formally schedule public meetings to get input from the greater public that probably didn't bubble up to the Building Committee," Selectman Henry agreed. "It may allow the Building Committee to see what people's concerns are and, perhaps, what they

"What you're looking at to the average homeowner in Marion is the price of one to two cartons of cigarettes per year, which isn't a lot of money," Mr. Jones said. "If we can't come up with a little over \$3 million, I think it's going to be difficult to convince people (to support) other projects."

"(The current police station) is beyond repair," Chairman Jeffrey said. "We're certainly going to have to do something in the near future. I agree ... we should have at least one or two public hearings. Nobody wants their taxes to be raised, but this is really something we have to seriously take into consideration."

Chairman Jeffrey went so far as to suggest Mr. Jones and his committee make a formal presentation during a future Selectmen's meeting that would be aired live and then rebroadcast over the town's government access channel.

At 7:22 pm the board met with former Selectman David Pierce for an update on the Marion Water Committee.

Mr. Pierce was reappointed as Chairman of the Marion Water Committee for a term to expire on June 30, 2007 and the following members were also appointed to serve on the committee for the same term of office: Priscilla Ditchfield; Rick Guerzoni; Don Torres; Rob Zora; and Julia Enroth-Whitlock.

Mr. Pierce also suggested the board name the engineering firm of Tata and Howard as the town's Water Engineers of choice for three ongoing water projects in Marion: the water testing and search for possible water resources at the former Hiller property just off County Road; the design, engineering and implementation of Phase 1 of the so-called "village loop" project; and to work with the town and the Mattapoisett River Valley Water District in the design, engineering, and implementation of the Mattapoisett to Marion water transmission line commonly called "The Marion Connection."

"I think it is shared by the members of the Water Committee that water is a valuable commodity," Mr. Pierce said. "We have received notice from the Wareham Water/Fire District that they are looking at expanding their water line to County Road on the Marion town line. That is something we will be discussing."

At 7:45 pm the board with Chairman Peter Winters and Co-Chairman Joseph Napoli of the Planning Board to discuss the proposed Wareham Mall project.

"I guess we're here to request support to file an appeal to the decision (granting a permit for the Wareham Mall project)," Mr. Winters said. "Marion's traffic burden is expected to be 15 percent of all trips traveling via Route 105 — or about 3,652 trips added to Marion roadways. Although the impact may not be substantial to a larger community, it will have significant impact to the Town of Marion."

against the the Wareham Planning Board's and Zoning Board of Appeals' permitting of the mall project.

"I think we should consider the political ramifications of filing suit against a project that has already been permitted," Selectman Henry said. "As we speak, County Road is set to be upgraded ... and Route 105 has already been upgraded ... to accommodate the additional traffic. I find it very difficult, a year after we first heard about this project, to poke a stick through the wheel spokes."

Selectman Henry said he felt Marion's concerns have already been heard and he made similar suggestions nearly a year ago but, in his estimation, the Marion Planning Board "hasn't moved a dime."

"Wareham has gotten significant resources from

the developer to mitigate the project's impact in Wareham," said Planning Board member Tom Magauran. "This project is in East Wareham ... and will have a significant impact on traffic patterns in Marion."

"I talked to the Police Chief and he said it would have a significant impact on Marion ... he was concerned about it," Chairman Jeffrey said. "I (also) spoke to Attorney Bob Troy and he said if we didn't take this action, Wareham and the developer wouldn't do anything. I think the mall is going to happen — I don't think there's any question about it. But will Marion get its fair share? I was convinced that it made sense to move forward with (the appeal process)."

Chairman Jeffrey added that there is an impending deadline to file an appeal which is why this matter has come before them tonight.

With that, the board voted to allow the Planning Board to seek an appeal of the Wareham Planning Board and/or Zoning Board of Appeals relative to the Wareham Mall project via majority vote, with Selectman Henry in sole opposition.

The board then discussed the process to search for a new full-time Town Administrator. Chairman Jeffrey said they have sent out Request for Proposals (RFPs) to three firms which conduct the search. "It was our feeling that the role of the Town Administrator and how it's been depicted in the job description has been good," he said. "We're not looking to change that."

As for the Town Clerk, Treasurer and Tax Collector positions, they have decided to keep things status quo for the time being, with former Town Administrator Ray Pickles serving as Interim Town Clerk and former Selectman Loretta "Lori" Schaefer serving jointly as Interim Treasurer/Tax Collector.

"Both Lori and Ray have people in the consulting firm they can talk to," Chairman Jeffrey said. "We met with them earlier and I'm very encouraged. I want to thank them for stepping forward. Everyone seems to be pulling together. I look at it as an opportunity to make some good changes and work within the confines that we have now."

"I've really been impressed with the way the de-

*My cat eats his dry food very fast and then vomits it up on the carpet within 5 minutes. He has done this since he was a kitten. My wife wants to get new carpets but is afraid that the cat will ruin them and wants to get rid of the cat. Help!*

Your cat problem is pretty common. Essentially, you just have to make your cat eat slower. Probably the easiest thing to do is put 3 or 4 golf balls on top of the dry food. Then the cat has to move the balls each time he takes a new bite and it slows down the whole process. Other choices are to get 10 small plates and put only a small amount of food in each and then spread them out in the house. Other people will take an egg carton and put a few pieces of food in each of the egg depressions.

Chairman Jeffrey also noted they are looking to possibly break out the Town Clerk and the Treasurer/Tax Collector positions into two, separate appointed positions prior to the next Annual Town Election.

In other matters, the board:

- Voted to allow the Marion Tree Committee to plant and landscape the walkway in front of the Marion Town House with free hydrangeas donated to them from Greatscapes in Mattapoisett.
- Voted to appoint Susan O'Brien to the position of Music Hall Coordinator for the Marion Music Hall for a monthly stipend of \$225.

- Noted they are soliciting letters of interest to fill a vacancy on the Board of Health. Those interested should submit letters to the Board of Selectmen, c/o Marion Town House, 2 Spring Street, Marion, MA 02738 by Monday, July 24.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 8:55 pm.

### Rochester Selectmen's Meeting

*July 17, 2006*

**By Kenneth J. Souza**

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, July 17 at 6:45 pm by Chairman Bradford N. Morse. Also present were Selectman Richard Nunes, Town Administrator James Huntoon and Administrative Assistant Veronica Lafreniere. Selectman Dan A. McGaffey was not present for the meeting.

The board first met with Town Moderator Greenwood "Woody" Hartley and former Finance Committee (FinCom) Chairman Michael Costa to consider filling vacancies on the FinCom. With Mr. Costa's plan to step down and serve only as an alternate member for one more year, the joint boards unanimously voted to appoint both Michael Costa and Susan Whitney as alternate members of the FinCom, each for a one-year term; and the following as full FinCom members to serve out three-year terms: Tony Rucco; Bill Kiernan and Chris Stoltenberg.

The board also met briefly with Town Treasurer Naida Parker to first approve the signing of a \$65,000 bond note with Eastern Bank for a 10-year period. Ms. Parker then reported that Moody's had reaffirmed the town's bond rating at A2, meaning they would continue to maintain strong credit.

"Their only concern was our spending Free Cash this year to balance the budget," Ms. Parker said. "If we

At 7:08 pm the board met with members of the Rochester Country Fair Committee for an update on this year's annual event and to reappoint the members of the committee and its supporting staff for 2006. Rochester Country Fair Board of Directors member Julie Koczera noted some of the new events scheduled for this year will include a Bobcat Rodeo sponsored by Bobcat of Cape Cod; the Cranberry Flywheelers antique motor and engine club; the return of the Static Military Display in the Country Fair Parade; and "Movie Night Under the Stars" to take place at the Dexter Lane Recreational Park this Saturday, July 22 with admission starting at 6:22 pm. ## ATTENTION DRIVERS

If you are involved in a collision you have the right to have your investment, your vehicle, repaired at a shop of your choice. Your insurance company may suggest a list of repair shops. Do not be persuaded by this list, it is not a guarantee of quality of services, nor does it limit your options. You want a shop who will work for you and with you to put your vehicle back to pre-accident condition. **COLLISION SERVICES OF MARION, INC.** is a licensed, bonded, registered repair shop with the state of Massachusetts. We work with all insurance companies to expedite your repairs. The important thing to remember is we repair the vehicle for you, our customers, not the insurance companies. So remember, if the need arises, contact **COLLISION SERVICES OF MARION, INC.** to get back on the road.

At 7:15 pm the board met with representatives of the Wareham Fire District and Water Department (WFD-WD) to discuss plans for the County Road Water Main Extension project.

According to WFDWD Superintendent Michael A. Martin, the \$5.1 million project will entail installing an estimated 8.6 miles or 45,000 linear feet of water line within Wareham which will cross town lines at three key points in both Rochester and Marion. Since Rochester and Marion are already planning to reconstruct County Road, Mr. Martin said they were looking to "partner up" with the two neighboring towns and take advantage of the planned road work.

"The first reason we want to do this is because of the County Road reconstruction," Mr. Martin said. "The Town of Wareham is going to be competing with other entities for a very limited amount of water that exists in the Plymouth/Carver aquifer. We'd like to go to the Department of Environmental Protection (DEP) with ... connections already in the ground."

In addition, Mr. Martin explained that the Wareham Water/Fire District was formulated through an act of the legislature and, as such, they are restricted to selling water only to the inhabitants of Wareham according to state statute. Although some Rochester residents currently receive water from Wareham, this new project would

require a change in the state law as written.

"The primary reason we're here tonight is to ask your support to help with your legislators ... to push this legislation forward," Mr. Martin said. "We're coming to you to get your thoughts (and) your ideas to how willing you are to join us in this project."

By getting the legislation changed, Mr. Martin said Wareham would be able to offer water to those Rochester residents on the town boundary where the new water line is to be installed.

"It's not our plan to invade Rochester," Mr. Martin cautioned. "We're not going to bring water all the way to Plumb Corner ... but we're looking at being able to provide (water) to (Rochester) residents along the boundary line."

Selectman Nunes asked how the cost would be borne for those Rochester residents who wish to connect to the Wareham water line. But Mr. Martin said they wouldn't need to hash out those details until sometime in early 2007. "Right now, that would be putting the cart before the horse," he said. "We need to get the legislation amended first, otherwise there's no reason to proceed (with the project)."

In all likelihood, however, Mr. Martin did say that any Rochester resident wishing to connect to the Wareham water line would be treated the same as a Wareham resident/water user and would be charged the same water usages and/or betterment rates.

from July 24 to 27 and August 14 to 17. There will also be walk-up registration days on July 28 and August 18 for any player ages 7-14 who wishes to experience a day of the academy training. The cost is \$25 for half day and \$50 for full day. Players who previously enrolled for a four-day session are free. Please call or email Ray M. Cabral at 508-728-1377 or [rcabral@umassd.edu](mailto:rcabral@umassd.edu) if you have any questions.

The academy will be conducted under the direction of Mariner Technical Director, Coach Raymond Cabral. Coach Cabral is also the UMass Dartmouth Men's Head Soccer Coach. The Mariner Soccer Academy will be administered by college and high school coaches who are all top clinicians and soccer educators. Each academy participant will be working with a college or high school coach, assisted by college players, who will be able to pinpoint the player's strengths and weaknesses. The coaches will help the player to continue to develop his or her own strengths and work on overcoming the weaker areas of his or her game. This program will give each player a solid base on which they can build their game. Individual technique will be stressed each session. A small-sided game format will also be utilized to help players to develop insight by reading the game as they develop their technique.

**Letters to the Editor**

**To the Editor:**

On behalf of the Trustees of the Mattapoisett Library, I would like to thank the Lions Club for allowing us to celebrate another successful "Library Day." If you were unable to attend, you really missed a wonderful day filled with music, art, food and the laughter of children. If you were able to attend, you know how terrific it was, and we wholeheartedly thank you for your enthusiasm and generosity!

I also want to thank the artists who participated in the auction, the buyers of the artwork, and Ben and Louise Rogers of Rogers Gallery and Surroundings for sponsoring the Auction. A thank you also goes out to the local musicians who entertained us all the way through the afternoon, and into the evening, and Lynda and Kathy from the Children's Department of our Library for setting up and running the games for the children.

And lastly, for the wonderful restaurateurs from the area eateries that prepared their unique dishes to make the "Taste of the Town" a memorable event for our neighbors. This couldn't have been accomplished without the tireless efforts of Lois Ennis and Ellen Flynn and their troop of Woman's Club volunteers. We also appreciate the help and efforts of our many friends and supporters and we look forward to inviting all of

**Teachers Awarded Grants**

Many tri-town residents look forward to receiving the little blue telephone book ("The Blue Book") in their mailbox free-of-charge every year. The book is published by the Tri-Town League of Women Voters (LWV) and paid for by the advertisers. What many people don't know is that the proceeds from the phone book are given away every year to deserving teachers in the Old Rochester Regional School System for projects that provide programs for the students that would otherwise not be funded.

This year the LWV received twelve viable grant applications for teachers in the region, and six of them were selected to receive funding totaling \$4922.40. The chosen projects were:

- \$1,000 to Kristine Lincoln and Maureen McQuil-lan to partially fund their attendance at the "Closing the Gap International Conference" in Minnesota this fall. This conference focuses on assistive technology for children and adults with special needs. Both teachers will be leading a newly organized district level Assistive Technology Team to offer training to staff and support personnel working with students with significant disabilities.
- \$147.60 to Kevin Tavares at Old Hammondtown School to start a Scrabble Club at OHS.
- \$1,000 to Sandi Rosen, JoAnn Vierkant, and Debra Almeida to develop an American Folk Tale Project for Sippican School students in Grade 4 History and Social Studies. They plan to integrate language arts, history, and geography by having students reach and write about

They will prepare the soil, plant seeds and seedlings, tend and harvest crops and prepare meals with their own produce. Mattapoisett is a partner in the district nutrition committee that addresses student health and nutrition. Other grants are being applied for to support this project as well.

Without the funding from the League of Women Voters of Marion, Mattapoisett, and Rochester, these projects would not become a reality.

In addition, to providing much needed Educational Grants to district teachers; the LWV also hosts the Candidates Nights for local and state elections. friends and new ones as well exhibiting their home grown vegetables and flowers or their lovely afghans, baskets and much more. The fair books are out and have gone like "hot cakes." We hope you have yours. Entries will be accepted on Friday, August 18. Don't forget, anyone can enter no matter your age or where you live. The fair books are only a guide. Even though you don't see something listed it doesn't mean you can't enter it in the fair.

There are some special contests just for the kids, which are easy to do. All you need is a piece of poster board and like to collect things found in nature. For example, collect five different bugs attach them to the poster board and write the name underneath each bug. How easy is that? You can enter a collection for in every category. The categories are — insects, wild flowers, leaves, seashells and weeds. Remember, you need five examples for each entry that you do. Make sure your name, address and age are on the back.

The Rochester Grange Fair Committee looks forward to seeing many great entries again this year. For more information on the fair or questions about entries please call Sue LaFleur at 508-295-8908.

### Quilt Documentation

The Massachusetts Quilt Documentation Project (MassQuilts) and the Mattapoisett Historical Society request that residents of the area who have old quilts, quilt tops, quilting clothing, blocks and pieces made before 1950 to participate in an historical survey of these works. The Documentation Day is Thursday, July 27 from 10:00 am to 3:00 pm at the Friends Meeting House, 103 Marion Road (Route 6) in Mattapoisett. To allow time for all pieces to be examined and photographed, quilt owners should sign up for an appointment by calling the Mattapoisett Historical Museum at 508-758-2844.

MassQuilts, a volunteer organization, and the Mattapoisett Historical Society will provide quilt owners information about their quilts. All quilt owners will receive a photograph of their quilt and information on their care and storage.

The special exhibit at the Mattapoisett Museum and Carriage House for this summer is "Skillful Hands," featuring quilts, samplers and other type of needlework.

Province, was installed as the province's eleventh provincial by Reverend David P. Reid, SS. CC., who leaves that role after six years.

The installation ceremony took place in Wareham at the Sacred Hearts Retreat Center's Chapel on Sunday July 9, the Feast of Our Lady Queen of Peace.

Father Petrie was elected by the East Coast Province members on April 5, 2006. Superior General Enrique Losada, SS. CC., confirmed the appointment from the community's motherhouse in Rome, Italy, shortly after the ballots were counted.

In his talk as Provincial, Father Petrie cited the passage from Saint Paul's Second Letter to the Corinthians in which the evangelist says, "Domineering over your faith is not my purpose. I prefer to work with you toward your happiness." Father Petrie said the happiness that the members of the Congregation seek is fulfilled when they live the SS.CC. charism in community and ministry.

The new Provincial shared insights drawn from Article 43 of his religious order's Constitutions and Statutes. These articles express the need for "continual conversion through the experience of God in prayer, community life, and apostolic life."

In 1975, Father Petrie, who was sponsored by Blessed Mother Teresa for work in India, began his ministry at the Shantinagar Leprosy Rehabilitation Center near Calcutta. He founded the Damien Institute, now the Damien Social Development Institute and the Con-

gregation's Formation Program. He worked in India for 25 years. Currently, three SS.CC. communities are established in Bangalore, Bhubanesware, and Kolkata (formerly Calcutta) with houses also established for the SS.CC. sisters' communities.

Also installed at the July 9 ceremony was Brother Paul Alves, SS. CC., treasurer of the SS.CC. Eastern U.S. Province and vice principal at Cardinal Spellman High School, who had been elected Third Councilor. In his remarks concerning the community's new Provincial Council, Father Petrie drew deeply again from the Congregation's constitution that inspires the brothers to discharge authority in the spirit of service as "Jesus presents it in the Gospel."

Participating in the installation ceremony were guests that included the local professed members of the community, representatives from the Diocese of Fall River, the SS.CC. Secular Branch, Men of the Sacred Heart and the Enthronement Office, SS.CC. lay staff, Damien Dutton Foundation, benefactors, family and friends.

The ceremony included a Eucharistic prayer of adoration and Exposition of the Blessed Sacrament, during which the assembled community sat silently in communion with the Lord. A charism of the SS.CC. religious community, Eucharistic adoration is one of its deepest forms of communal and individual prayer.

Joining Father Petrie and Brother Alves on the new SS.CC. leadership team are: the Reverend Richard

McNally, SS.CC., Vicar Provincial; the Reverend Martin Gomes, SS. CC., First Councilor; and the Reverend Stan Kolasa, SS. CC., Second Councilor. Father McNally, has resided with the SS.CC. Picpus Community in Paris, France, for the past three years. Father Gomes is pastor of Saint Joseph's Faith Community in Nassau, the Bahamas, and Father Kolasa is pastor of Our Lady of Assumption Church, in New Bedford. Due to scheduling conflicts, these three were installed on June 19 during the Provincial Chapter in June 2006.

Founded in France in 1800, the Congregation's mission is to contemplate, live and announce to the world the saving love of God. Worldwide, its 1,500 priests, brothers and sisters serve in 38 countries throughout the world — in parishes, schools, chaplaincies, outreach centers and retreat ministries. Among its most eminent missionaries are Blessed Father Damien, SS. CC., of Molokai and Blessed Father Eustaquio van Lieshout, SS. CC., who was beatified in Brazil in June 2006.

# MOVIE REVIEW

## Dazed and Confused

By Rob Gonsalves  
www.robsmovievault.com

**A Scanner Darkly.** Starring Keanu Reeves and Robert Downey Jr. Directed by Richard Linklater. Running time: 100 minutes. MPAA rating: R.

The drug-induced paranoia of Philip K. Dick and the easygoing good nature of Richard Linklater make an unstable mix. *A Scanner Darkly*, which Linklater directed from Dick's 1977 cult novel, ultimately plays to too few of Linklater's strengths; it's garrulous and digressive, but the mood of bitter *noir* paranoia smother

ers our enjoyment like a hot wet blanket. Linklater may have admired the novel — I do, too — but that doesn't necessarily make him the ideal director for this material. Neither does the convenient fact that he has a high-tech rotoscoping animation facility (left over from his 2001 film *Waking Life*) at his disposal. The animation tweaks reality just a notch, supplying a plausible visual launchpad for the film's hallucinatory moments, but that's really all it does. For most of the movie, we're watching painstakingly animated footage of people talking.

Which was fine in *Waking Life*, Linklater's phantasmagoric sketchpad movie of ideas. In that film, the style changed according to each speaker, illuminating and sometimes even critiquing the verbiage. *A Scanner Darkly* has the same glum look throughout — it owes a lot to graphic novels, especially the illustrations Julian Allen did for Bruce Wagner's serialized *Wild Palms*. Some touches, like the constantly shifting "scramble suits" worn by narcotics agents to cloak their identities, are trippy and inspired. But take away the look and you've got a bleak, grubby tale that just isn't suited to Linklater's sensibilities. The actors play their hearts out, particularly Robert Downey Jr. as the loathsome know-it-all Barris. But the material seems to be at a remove from us and from Linklater. There's nothing here he can really hook into, nothing special he brings to it.

Keanu Reeves is actually rather touching as Bob Arctor, a narc who gets addicted to the powerful drug Substance D and, in the ultimate paranoid nightmare, finds himself assigned to spy on himself. Bob lives and associates with the expected drug casualties and outcasts, including a pugnacious Woody Harrelson and a freaked-out Rory Cochrane. He's also in love with Donna (Winona Ryder), a Substance D dealer he's using in order to make a connection with the next dealer up the ladder. Dick's narrative logic in the book — faithfully reproduced in the film — is mer-

ciless and fatalistic, a despairing string of catch-22s. Dick was writing from anguishing personal experience — he and many of his friends took heavy or fatal blows as a result of drugs. Linklater doesn't seem to have that kind of sadness or anger in him. So the film has no charge other than its funkyadelic look, and it starts to drag.

Linklater isn't a judgmental director — that's the strength of his warmer films, like *Dazed and Confused*, in which no one is really *bad*. And he allows Robert Downey Jr. to flesh out the double-crossing Barris with an appealing, rabbit intensity. He feels for the main characters, but when it comes time to delineate the corrupt bureaucracy they're up against, Linklater can't come up with anything. The piece's final twist comes off bland, as if Linklater didn't believe in it. He may be happy to have fellow Austinite and conspiracy theorist Alex Jones in his films for cameo riffs, but for Linklater, Jones' line of thinking (like Philip Dick's) is just one of many that make up a complex world. Linklater tries on Dick's paranoia like a scramble suit, but he never owns it, and it doesn't fit him well.

*A Scanner Darkly* is certainly head and slumped shoulders above the usual summer fare (a weak compliment), and it may lead some viewers to Philip Dick's more fulfilling work — or to Linklater's. Unlike many films based on Dick's work (*Blade Runner* is still the best; others include *Total Recall*, *Minority Report*, and *Paycheck*), this is a movie made by a dutiful reader of the novel, a reader careful to include the relevant passages of the source material. As with the ultimately disappointing film version of *Fight Club*, I appreciated *A Scanner Darkly* on that level — Linklater had been faithful, hadn't screwed it up. Towards the end, Bob Arctor ponders, "Does a scanner see clearly or darkly?" Linklater doesn't see this material clearly or darkly enough. I don't know who would, really; Philip Dick — or, rather, the mischievous yet depressive *tone* of his work — is notoriously hard to adapt. *A Scanner Darkly* comes closer than any other movie has but still doesn't quite get there. Once again, the old drug-addled guru — twenty-four years dead now — leaves Hollywood far behind.

The first quarter of the 2007 Preliminary Tax Bills for the Town of Mattapoisett are due August 1. Tax bills were mailed on June 30 with payment coupons for both the first and second quarters attached. Taxpayers should retain the second quarter payment coupon for payment due by November 1. No other notification will be mailed. Notices of due dates will appear quarterly in *The Wanderer*, on the Town's website, on local cable TV and on the Mattapoisett Lions Club board on Route 6. There will be a 50-cent charge for reprinting a tax bill.

Taxpayers are encouraged to register for making online payments on the eBill website at [www.mcc.net](http://www.mcc.net). By using eBill, taxpayers can have their payments withdrawn from their checking or savings accounts or can make payments using MasterCard, American Express and Discover credit cards. Payments can be made using eBill until 11:59 pm on the due date of August 1.

Payment and coupon can be mailed to P.O. Box 1596 or deposited in the mail slot at Town Hall. The receipt portion and first quarter coupon may be brought to the office with payment during normal work hours.

If payment is not received in the Collector's Office by the due date, interest shall accrue daily at a per diem rate of 14 percent per state law. Any accrued interest for the first or second quarters shall appear on the third quarter coupon on the Actual Tax Bill in January. If taxes are escrowed and are paid by a bank or mortgage company electronically, taxes should automatically be paid quarterly.

Please call the Tax Collector Brenda A. Herbeck's office at 508-758-4100, extension 1 for questions regarding payments. Office hours are Monday through Friday, 8:00 am to 4:00 pm.

# INNER VIEWS

## Three for the History Books

By Kenneth J. Souza  
news@wanderer.com

Like many, I always think of perfect summertime reading fare as the latest mystery from the likes of local native Robert B. Parker (his new Sunny Randall/Jesse Stone hybrid *Blue Screen* comes highly recommended) or a good historical novel a-la *The Da Vinci Code* (I'm currently savoring Louis Bayard's *The Pale Blue Eye*, a rich "what if" featuring a young West Point cadet named Edgar Allan Poe). But there's always room for interesting non-fiction diversions, too — especially those dealing with the fascinating history to be found in our own backyards.

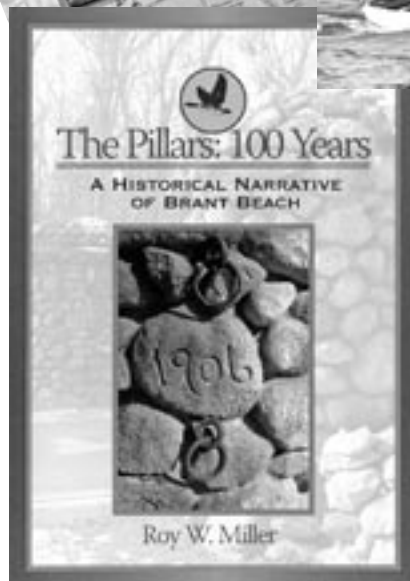

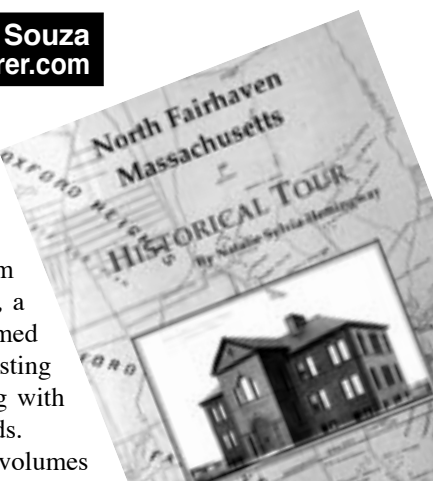

To that end, there are three new and wholly unique volumes now available that chronicle the history of two tight-knit neighborhoods and one distinguished and revered sailing club — and all are ideal and recommended for a quick read on the beach or during a sunny summer afternoon interlude.

First up, Mattapoisett resident **Roy Miller**'s eye-catching labor of love, *The Pillars: 100 Years - A Historical Narrative of Brant Beach*. This wonderful 60-page tome details the century-long evolution of the so-called Brant Beach area of Mattapoisett, which is readily identified by the two stone pillars flanking its entrance. Like so many noted landmarks in the tri-towns, everyone seems to know of the pillars, but few knew how they came to be. Mr. Miller sets out to change all that with his meticulous research dating back to the colonial days of Rochester and later as the former "West Neck" area of Mattapoisett came into its own.

Lavishly illustrated with both color and black-and-white photos, the book also offers such caveats as an appendix of landowners in the village dating back to 1747, the lyrics to "The Brandt Island Club Anthem" which was penned in 1899, and other tidbits about the watervine community which currently boasts some 121 houses and cottages.

Like Mr. Miller, historian **Natalie Sylvia Hemingway**'s affection for her beloved Fairhaven is readily apparent in her latest installment, *North Fairhaven, Massachusetts: Historical Tour*. Publishing by and for the North Fairhaven Improvement Association (NFIA) as a fundraiser for local scholarships, Ms. Hemingway's concise 38-page booklet reads like a detailed tour guide of present-day North Fairhaven — formerly called "Oxford Heights" when Acushnet was then known as "North Fairhaven."

Among the contemporary landmarks whose origins are traced within: the legendary Oxford School, the sprawling Dana Farm property, the Sacred Hearts School and Academy, the Coggeshall Street Bridge, the Livesey Club and Livesey Memorial Park, and the late great Bijou Theater, which first began life as the American Theatre showcasing silent movies with piano accompaniment for just 10 cents in the 1920s.

*The Beverly Yacht Club* (\$19.99) is available at local and online bookstores, via [www.arcadiapublishing.com](http://www.arcadiapublishing.com), or by calling 888-313-2665.

*North Fairhaven* (\$10) is available through the North Fairhaven Improvement Association (NFIA), P.O. Box 877, Fairhaven, MA 02719, or by calling 508-992-2925.

*The Pillars: 100 Years* (\$20) can be purchased at the Mattapoisett Museum and Carriage House; Mac's Soda Bar in Fairhaven; or by e-mailing [btmiller@comcast.net](mailto:btmiller@comcast.net).

Last but not least, veteran historian and author **Judith Westlund Rosbe** of Marion has also added another solid entry to her list of historical works with the publication of *The Beverly Yacht Club*, one of Arcadia Publishing's stellar "Images of America" photographic series. Like her two previous publications, *Marion, Massachusetts* and *Maritime Marion*, Ms. Rosbe focuses on the town's indelible connection to the waters of Sippican Harbor and, more precisely, the history of a prestigious sailing club with roots dating back to 1872.

Ms. Rosbe's 128-page pictorial history of the BYC employs some 200 photographs to trace the proud legacy of a club which was started by yacht designer Edward Burgess in 1872 and a century later spawned the Buzzards Bay Regatta (the largest multiclass regatta in North America), the Marion-to-Bermuda Race in 1977, and went on to become home port to some of the finest racing yachts on the east coast.

## SALOME'S STARS

**ARIES** (March 21 to April 19) You're not Sheepish when it comes to asserting your opinions on what you think is right or wrong. Be assured that you're being heard, and something positive will follow.

**TAURUS** (April 20 to May 20) Your sense of justice makes it difficult not to speak up about a recurring matter involving a co-worker. But, once again, you need facts to back you up before you can act.

**GEMINI** (May 21 to June 20) Romance is still dominant, and if Cupid misfired before, don't worry. He'll take better aim at someone new this time around. Expect favorable news about a financial matter.

**CANCER** (June 21 to July 22) The zodiac's Moon Children can expect things to work out pretty much as planned. One negative note involves a minor relationship problem that suddenly turns serious.

**LEO** (July 23 to August 22) You're suddenly being asked to make choices between two practically equal offers. Which one to choose? Easy. The one most likely to gladden your Lion's heart.

**VIRGO** (August 23 to September 22) Once again, you're confronted by a workplace problem you thought you'd already resolved. This time, you might need to go higher up to find a just resolution.

**LIBRA** (September 23 to October 22) Good for you: You're determined to stick with your goals and ignore those naysayers who might try to discourage you. You're on the right track. The challenge now is to stay on it.

**SCORPIO** (October 23 to November 21) You'll soon get news that is supposed to help you with a troublesome situation. Use your sharp Scorpion instincts to determine if the information is reliable.

**SAGITTARIUS** (November 22 to December 21) If you learn someone has betrayed your trust, don't just accept it and walk away. You need to know why that person decided to do what he or she did.

**CAPRICORN** (December 22 to January 19) A painful family relationship problem could finally begin to heal. Be prepared to show more flexibility than you might like. But it could be worth it.

**AQUARIUS** (January 20 to February 18) It's a good idea to enhance your career skills so you'll be prepared to accept a more responsible position when it's offered. A friend returns a favor just when you need it.

**PISCES** (February 19 to March 20) Show that strong, steely backbone that you usually hide, and demand to be included in any family decision-making that could affect the well-being of a loved one.

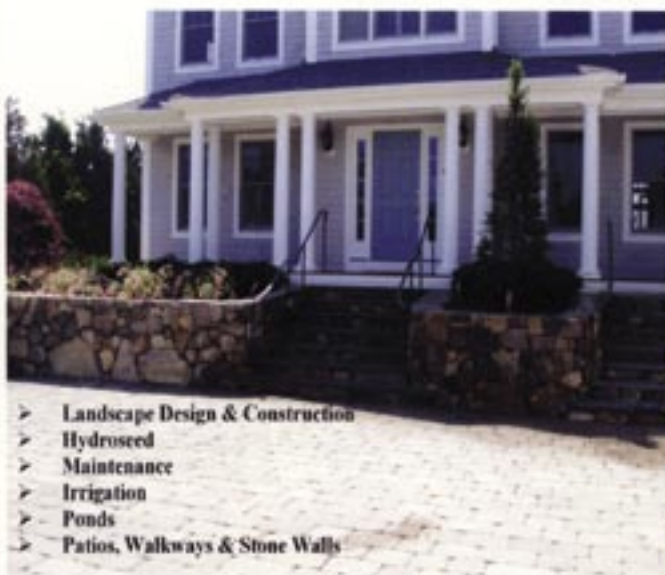

**BORN THIS WEEK:** You can be happy being alone at home. But you also love exploring the world outside and meeting new people and sharing new ideas.

## Rochester Country Fair

### Days of Yesteryear

The Rochester Country Fair will be celebrating the "Days of Yesteryear" as the theme for the town's seventh annual Country Fair slated for August 16 - 20, 2006. This will be a "blast from the past"!

The Fair Committee is planning on integrating some new events into the fair that will coincide with this year's theme. Among the new events will be a "Family Movie Night Under the Stars." The old-fashioned movie night will take place on Saturday, July 22.

They will also introduce a "From the Attic Photo Exhibit" and "Then and Now Photo Contest," Baby Carriage Contest, Sock Hop Dance with The Relics, and a Bobcat Rodeo which is sponsored by Bobcat of Cape Cod. The town's favorite local band, The Relics, is also coordinating a Yesteryear Costume Contest following the parade!

Participants in the Parade and Costume Contest are welcome to represent something from the "Days of Yesteryear." It can be an era (the Roaring '20s or the Fabulous '50s); a popular TV show (Happy Days, Little House on the Prairie); a band or musician (The Beatles, Elvis); or a culture, person or event in time. The possibilities are endless!
